

IGNACIO H. DE LARRAMENDI RESEARCH GRANTS

INSURANCE AND SOCIAL PROTECTION AREA

List of beneficiaries of the 2025 call

Fundación **MAPFRE**

Once the **85 applications** submitted to the 2025 call for Ignacio H. de Larramendi Research Grants have been reviewed, the **Evaluation Committee of the Insurance and Social Protection Area** has taken into account the applicant's experience on the subject (and that of the research team, in each case), the innovation of the proposal, its scientific and technical quality, as well as its feasibility and social applicability, and has designated as beneficiaries:

Nina Pallarés Cerdá
