

1

October 4 – November 15, 2021

Registration phase

Registration is now open for projects in the following three categories:

1) Improvements in health and digital technology (e-Health).

2) The senior economy.

3) Prevention and mobility.

And in three regions:
Europe, Brazil and the Rest of Latin America.

2

December 2021 – February 2022

Submission evaluation phase

3

February 2022

Project presentation phase

The nine finalist projects will be selected (one per category and region)

4

March - April 2022

Preparation phase for the grand final

Mentoring sessions will be given to the representatives of each candidate project

5

April 2022

Grand final and conclusion

The finalists will present their proposals before an expert panel convened by Fundación MAPFRE.

Three winners (one per category) will receive **40,000 €** to develop their project

6

Red Innova Fundación MAPFRE

Finalists and winners will be invited to join this network of networks to perpetuate the relationship between them.

GOOD LUCK TO YOU ALL!
